SKILLS

Programming Languages:	Java , C++ , Javascript
Databases:	My Sql
Development:	HTML, CSS, Javascript, Java development(Web applications)

WORK EXPERIENCE

FivePs Digital

Delhi, NCR

Java Development Intern

July 2024 - August 2024

- Developed an Airline Management System using Java, implementing core features such as flight scheduling, booking management, and customer profiles.
- Integrated database management using JDBC for secure data storage and retrieval.
- Utilized Object-Oriented Programming (OOP) principles and Java frameworks to design efficient, scalable modules.

PROJECTS

Airline Management System

August 2024

- Designed and developed an Airline Management System to manage flight scheduling, bookings, and customer information.
- Implemented core functionalities like booking management, flight tracking, and customer profile creation using Java.
- Integrated MySQL database with JDBC for data persistence and efficient transaction handling.
- Enhanced system performance by optimizing data retrieval and ensuring a user-friendly interface.

Spotify

June 2024-July2024

- Developed a fully responsive Spotify clone using HTML and CSS, replicating the core layout and design of the Spotify interface.
- Implemented modern web design techniques, including flexbox and grid, to create a visually appealing and user-friendly interface.
- Focused on responsive design to ensure compatibility across different devices and screen sizes.
- Styled custom components like the navigation bar, playlist display, and media player controls, closely mimicking Spotify's design.

Personal Portfolio Website

May 2024

- Designed and developed a personal portfolio website using HTML and CSS to showcase projects, skills, and experience.
- Created a clean, responsive layout with modern web design practices, ensuring compatibility across various devices and screen sizes.
- Implemented custom styling for sections like the project gallery, about me, and contact form, focusing on user-friendly navigation.
- Enhanced user experience with interactive elements like hover effects and smooth scrolling for a polished look.

EDUCATION

Deenbandhu Chhotu Ram University of Science and Technology, Haryana, India

August 2022-May 2026

Electronics and Communication Engineering (Currently 3rd Year)

Modern Vidya Niketan, Haryana, India

May 2022

12th class (High School) - 93.4%

INTERESTS

Music, Coding Challenges, Photography
